August 2016

Hello from the Illinois Coalition of Nonpublic Schools (ICNS)! Membership is open to all nonpublic schools in Illinois.

ICNS is the voice of nonpublic education in Illinois, ensuring that policy and advocacy agendas are monitored and given a voice as funding and regulations are formulated downstate. We provide the eyes and ears for our schools and need your support in order to continue this work. We at ICNS are committed to continue our strong advocacy for Illinois nonpublic schools locally, in Springfield and nationally through our work with the Council for American Private Education (CAPE). Nonpublic schools are politically only as strong as we are united. It is important to be proactive by joining and being part of nonpublic schools as a group, especially when issues come up on the state level that affect our constituency. Your membership is requested now more than ever.

As you begin to think about the new school year, please take a moment to visit us at www.icns.net and/or contact Judy at icnsillinois@gmail.com to learn more. You may return the attached membership form with your check or visit us at www.icns.net for an electronic payment option. Our membership cost is $75 for one year or $125 for two years.

As a member, your school will receive our electronic monthly ICNS Newsletter about the 15th of each month during the school year. A copy of our April 2016 Newsletter is attached.

Sincerely,

Judy Wolf
ICNS Membership Drive Leader
